### Tomahawk Sew N Vac

Over 35 Years Serving Our Wisconsin and Illinois Friends and Community and Going Strong Thanks to You!!

It has been a great transition for us after deciding to make my lifetime goal come to reality by moving to northern Wisconsin after visiting the northern woods area on vacation for over 30 years with my family. I've gotten used to being called a "Chicago Head" by my friends and family in Illinois and being told I've gone to the dark side becoming a "Packer Fan" by my Illinois Bear Family and friends here.

We look forward to improving our store and services as you let us know how we can add to the services we render to you. We've brought in many new products and products made in the USA like our line of vacuum cleaners and sewing machines furniture (we even have a quality line of cabinets made right here in Wisconsin. In the last year we added the Handi Quilter, Long Arm Quilt Machine and Frames, as well as expanding our vacuum cleaner department with more vacuums and supplies and bringing in a "Do It Yourself" professional carpet cleaning service. We also added a new additional "Outlet Store" at the Country Hillman Seam Book and Fabric Store in Decorah, 200 E. Center Ave., Decorah, WI 54824. We're looking forward to working with Carol and staff to expand our area of service. Let us know how we can serve you better with your ideas. After all we don't just want to be a sewing and vacuum location, we want to be YOUR sewing and vacuum cleaner location.

Thanks again for your continued support!
