nüvi 2455LMT

Part Number: 010-01001-20

Whether you're driving through an unfamiliar city or on your daily commute, nüvi 2455LMT makes your trip easier than ever before. It includes FREE lifetime traffic* and map* updates, advanced lane guidance and more.

Get Turn-by-Turn Directions

Garmin Guidance 2.0's intuitive interface greets you with two simple choices: "Where To?" and "View Map." Touch the screen to easily look up addresses and services and to be guided to your destination with voice-prompted, turn-by-turn directions that speak street names. It comes preloaded with maps for North America. It also includes more than 8 million points of interest (POIs) and offers the ability to add your own.

Avoid Traffic Tie-ups

With FREE lifetime traffic updates from 3D Traffic, our most extensive traffic avoidance system, nüvi 2455LMT can help you avoid delays. We check traffic conditions more than 2 billion times each month, so you can easily reroute around congestion and arrive on time.

Enjoy FREE Lifetime Map Updates

With FREE lifetime map updates, you always have the most up-to-date maps, POIs and navigation information available at your fingertips. Map updates are available for download up to 4 times a year with no subscription or update fees and no expiration dates.

Know the Lane Before It's Too Late

Now there's no more guessing which lane you need to be in to make an upcoming turn. Available in select metropolitan areas, photoReal junction view makes unfamiliar intersections and exits easy to navigate. When you approach an exit or interchange, nüvi 2455LMT will enter split screen mode and show you a realistic depiction of junctions on your route, complete with road signs and arrows that indicate the proper lane for navigation.

Go Beyond Navigation

Point-to-point navigation is just the beginning. nüvi 2455LMT features a microSD card slot so you can store and use detailed CityExplorer maps or download custom voices and vehicles for free from the Garmin Garage. Dual-orientation functionality lets you hold the nüvi vertically or horizontally for added convenience driving or walking. The "Where Am I?" emergency locator provides your exact latitude and longitude coordinates, the nearest address and intersection, and the closest hospitals, police stations and more. And Enhanced Exit Services tells you what services you're approaching on the highway.

*FREE lifetime traffic updates may not be transferred to another person or another Garmin product. Lifetime traffic extends for the useful life of your Garmin traffic receiver (as long as you own a compatible Garmin GPS) or as long as Garmin receives traffic data from its traffic supplier, whichever is shorter. Traffic coverage not available for all areas. See traffic coverage areas and Program License Agreement for complete terms and conditions.

*FREE lifetime map updates enable you to receive up to 4 map data updates per year, when and as such updates are made available on the Garmin website, for this specific Garmin product only until this product's useful life expires or Garmin no longer receives map data from its third party supplier, whichever is shorter. The updates you receive will be updates to the same geographic map data originally included with your Garmin product when originally purchased. Garmin may terminate your lifetime map updates at any time if you violate any of the terms of the End User License Agreement accompanying your nüvi product.

- View routes on the 4.3" (10.92 cm) touchscreen
- Enjoy FREE lifetime map and traffic updates
- Avoid traffic tie-ups with 3D Traffic, subscription-free live traffic updates from the our extensive traffic avoidance system
- Know which lane to be in thanks to advanced lane guidance with exclusive photoReal junction view
- Use in portrait or landscape mode
- See what's coming ahead with Enhanced Exit Services
- Get fast route calculations and address look ups with Garmin Guidance 2.0
